

CHAPTER 62: CROSSFIRE

We don't
even know
where the
assassin is
right now.

Everyone
there are
hot-blooded.

So I know there's
going to be a brawl.

But why is
Chinmi there?

He probably
wanted to lure
the assassin
out.

Chinmi's
an
efficient
guy.

Don't do
anything
stupid,
Chinmi!!

Just
wait
until we
arrive!

What are
you doing in
this place?

You're a man
well-established
underground.

What are
you looking
for, Jiban?

But I'm
not here
to kill
Chimi.

I came
to this town
for a business
with Dairin
Temple

...

He's
entering
the
brawl.

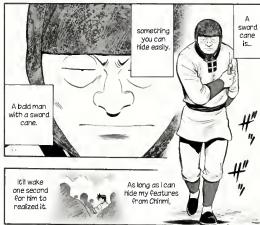

You dare
to go
against my
instruction!!

So you
came.

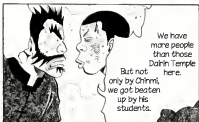

Fire's out!

Okay we did it!

We don't need any more water.

Thank goodness the fire's not spreading.

He said we don't need water.

It's out!

We did it!

Uncle
Jibari

That's my
nephew,
Shen.

Both his
parents
passed away.
I'm looking
a place for him.

Haha!

I came
by myself?

Sword
Cane
Touza?!
